- Follow up on <u>Affordability Funds</u> and not knowing 100% if District will role over or not, mixed messages. Discussion point: to cash ours out as gift cards to support the families over the summer. Sher G to bring more information when DPAC knows more.
- <u>Competency based IEP's</u> (Inclusive Education Plans) are rolling out in SD33, with many schools not
 yet having addressed them. Discussion Point: Lisa W shared with the PAC everything in which
 Cultus Lake Community School has already and continues to do. Sher G noting that it sounds like
 our school is one of the few that is adopting and supporting these so quickly.

OPEN DISCUSSION

2023/24 Calendar Draft: Suggestion from KF to go ahead using the same structure we used last year. Discussion around September through December being a mad dash to get on track, suggestion to host first Executive Meeting in late August to September starts off smoothly. Discussion point: Why the rotating or meeting dates Tues, Wed, Thurs? Was implemented to ensure if families have standing commitment on a night they are not left out for whole year. Comment from a PAC member that it's hard to remember when the dates jump around. Comment from CH: Having the option to join via zoom makes it accessible even if you are out and unable to physically attend.

CULTUS LAKE COMMUNITY SCHOOL

DISTRICT PARENT ADVISORY COUNCIL (PAC) REPORT

24 May 2023

May 2023 in Review

- DPAC April General Meeting Minutes emailed. Some items to note:
 - Discussed PAC role as advocacy not fundraising. An operating norms document is expected by September 2023.
 - Food Affordability program happening next year, BCCPAC wants this distinction. This year's Affordability Fun is not confirmed to carry over. Even if carried over, there may be new rules or less funds. PAC should be informed by the Principal how much \$ is left. DPAC recommends spending all funds this year, including; gift cards, supplies, and field trips. Some schools will give families \$500-1K gift cards to help with food security during Summer. Only \$400K has been spent of the 1.5M as of February. We can even request more funds if needed.
 - Principals need to review IEPs by May/June. Typically previous years IEP continues
 through September, then updated October/November, new IEP starts in December.
 - FYI there was a directive from Action4Canada to "infiltrate PACs" in March. This is a
 group that is very upset about certain learning resources and SOGI in our schools. Be
 sure to verify people are students' parents/guardians.
- DPAC Year End Report sent by email
- <u>DPAC Executive Nomination Form</u> sent by email
- DPAC AGM Meeting May 25 at 7pm, hybrid (optional online or in-person). Agenda sent by email.
